Notes: This statement is produced using generally accepted accounting principals (GAAP Basis). To reconcile the GAAP basis to the basis used for budget purposes (Budget Basis), it is necessary to subtract from the GAAP basis the amount the State of Maine contributes to the Maine Public Employees Retirement System (MEPERS) for employees enrolled in the MEPERS Teacher Retirement Plan. The amounts to be subtracted from both GAAP revenues and GAAP expenditures for the fiscal years ended June 30, 2011, 2010, 2009, 2008 and 2007 are \$2,900,000, \$2,900,000, \$3,100,000, \$3,022,000, and \$2,612,000, respectively.

Certain expenditures have been reclassified for comparative purposes. Debt Service includes School obligations, which, for budget purposes, are included in the Education expenditures. Expenditures for certain school improvements are recorded as expenditures of a capital improvement fund. Beginning with the 2008 fiscal year, certain expenditures previously categorized as "General Government" have been included in other functional categories.

Employee benefits are distributed to the various departments where the salaries and wages are budgeted. The total amount distributed is indicated above. See the department budgets.

Social Security and Medicare: Brunswick extended Social Security benefits to eligible municipal employees in 1959. Full-time police and firefighters were excluded. In 1963 the Town extended coverage to police officers; full-time firefighters are still not covered. This appropriation funds the employer contribution which is split into two categories with 6.2% to Social Security and 1.45% to Medicare. Full-time firefighters have Medicare coverage only. All other employees have both for a total contribution of 7.65% of covered payroll.

Maine Public Employees Retirement System: Brunswick joined the Maine Public Employees Retirement System as a participating district on July 1, 1950. In 1995 the Town joined the Consolidated Participating Local District (PLD) plan. Police and firefighters have special plan provisions that allow them to retire after 20 or 25 years of service, regardless of age. The Town's contribution rates to MainePERS are established annually by an actuarial analysis. The employer contribution rate for firefighters is 10% and 12.2% for police officers. For all other employees the rate is 5.3%.

Health Benefit: Includes funding for both health insurance and health insurance buy-back. Health insurance is provided through the Maine Municipal Employees Health Trust (MMEHT), with the Town paying 85% of the premium; employees pay 15%. On January 1, 2012, Brunswick's health insurance rates increased by 3.88%. The budget reflects an estimated rate includes an increase of 15% for January 1, 2013. Buy-back is a cash payment for those who elect not to take health insurance. Beginning with the 2012-13 budget, the health benefit is charged to departments on a per employee basis. The rate per eligible employee is \$11,221.

Life Insurance: Brunswick adopted the Maine State Group Life Insurance Program in 1956 for the benefit of employees wishing to participate. At present, the Town pays only the cost of insurance for certain retired municipal and school employees. The contribution rate is determined annually on an actuarial basis.

Medical/Dependent Care: The Town offers employees the opportunity to participate in medical reimbursement and dependent care reimbursement programs. This represents administrative and other Town costs associated with these programs.

Deferred Compensation: The Town matches up to 6% for employees who contribute to the 457 Deferred Compensation Plan and who are not enrolled in the Maine Public Employees Retirement System.

Beginning with the 2012-13 budget, this account includes the activities previously budgeted as Public Works Winter Maintenance - 13120. These include the removal of snow and ice and the spreading of sand and salt on public streets, sidewalks and parking areas. Costs may vary considerably from year to year depending on winter conditions. Expenditures in the Overtime account depend on the number and timing of storm events during the winter. Rental of Winter Equipment is to hire outside contractors for the East Brunswick/Jordan Avenue contract, the Meadowbrook/Parkview/Greenwood contract and to haul snow. The Town has twenty total snowplowing routes; it hires contractors for six.

This appropriation covers the needs of all persons in Brunswick who are in need of financial relief and also covers the administrative expenses of the Town related to welfare, general assistance and human services.

Brunswick handles each case with an active referral system and a workfare program, the combination of which results in significantly lower costs for the municipality and higher levels of assistance for the clients.

The details of the School budget may be obtained at the Office of the Superintendent of Schools. The Department of Education is administered by a nine member School Board in accordance with Article IX of the Town Charter.

The School Department budget does not include payments made by the State of Maine to the Maine Public Employees Retirement System for the Teacher Retirement plan. For the year ended June 30, 2011 those payments amounted to \$2,900,000.

The School Department budget includes debt service payments for the 2003 High School Refunding Bonds and the 2011 Elementary School Bond. For the year ended June 30, 2011 those payments were \$1,334,145.

An additional \$71,546 was transferred in 2010-11 to a capital project fund to account for repayment of advances made for the Hawthorne School renovation.

Certain expenditures related to the School Department are reported differently in the School Department's budget, the Town's comprehensive annual financial report (CAFR) and this document. The following reconciliation is provided to explain the differences in these documents.
